# VASTU SHASTRA DISCOURSE

**Acharya Paragji & Panditji Ramakrishna(Datta Jyotish Family)**

**Time: Saturday June 29<sup>th</sup> 2013 1:00 PM to 2:00 PM**

Vastu Shastra is an ancient science of construction and architecture based on how the laws of nature affect human dwellings. Life is made out of panchboota (bhoomi "Earth", Aapah "Water", Teja "Light", Vayu "Air" and Aakash "Sky"). Vastu Shastra prescribes ways to balance these natural energies in a dwelling and improve the well being of the people living in it. Vastu Shastra talks about "*maana*" (proportional relationships in a building) that enhances the *Aayaadi* (conditions for maximum well being) and benefits for the residents of a building.

This discourse will cover the basics of Vastu Shastra followed by question and answer session.

The Datta Jotish Family is well known for the divine science of Vastu and Jyotisa Shastra and they have helped many generations of people. Panditji's forefathers Jyotishavisharad Pandit Vyenkatesh Shastri, Jyotishacharya Pandit Kashinath Shastri, Jyotishacharya Pandit Mukund Kashinath Shastri are all renown scholars and served during their times.
