# HCCC presents Annual Annamacharya Day

Sri Tallapaka Annamacharya is a Hindu saint of the 15th century and the earliest known Indian musician to compose songs called Sankeertanas in praise of Lord Venkateswara. The musical forms of the keertana songs that he composed, which are very popular among Carnatic music artists, have strongly influenced the structure of Carnatic music compositions.

Sri Annamacharya is said to have composed as many as 36,000 Sankeertanas (songs) on Lord Srinivasa, of which only about 12,000 are available today. His choice of words gives a mellifluous tone to his songs, charming the listener.
