

# Donate 101: Your Temple, Your Heritage

Hindu Community & Culture Center  
Shiva-Vishnu Temple

The COVID-19 outbreak in 2020 and the subsequent Temple shutdown set us aback and it could happen again. Due to county regulations Temple could not provide the regular services to the devotees. Still, we made sure all the rituals, homas at the temples are performed in the most authentic way. Live streamed the events, performed special events for the greater good of our community in these difficult times. In order to be prepared and continue to sustain our Temple and community & cultural center for our future generations we need your help. We humbly request a generous donation of \$101+ if you are willing and able. We are naming this initiative "Donate 101". If all our valued registered devotees donated just \$101 we could raise enough funds to secure our Temple's operational needs for foreseeable future.
