OM NAMO NARAYANAYA

#### HCCC CHAIRPERSON'S COLUMN

#### **Dear Devotees:**

OM NAMAH SHIVAYA

As you all might have realized, the hurricane Katrina has caused lots of devastation along the Gulf Coast States and people living especially in Louisiana and Mississippi have experienced the brunt of it. Your Hindu Community and Cultural Center Board of Directors have allocated funds for the relief of Katrina victims and the HCCC is working with the local Rotary for the distribution of the funds. A special Hundi is also placed in the temple to collect money for Katrina victims and we urge you to contribute towards this worthy cause.

Thanks to the efforts of volunteers and elected officials and your very generous monetary contributions towards the Tsunami Funds, HCCC could raise enough money to pay for: a new school, some houses built for the victims and a mobile clinic in the Tsunami destroyed areas in India.

In the previous Paschima Vani, I wrote about youth involvement and in this issue I promised to address two issues: development of facilities for various activities and the Devotee-HCCC interaction. I mentioned about my vision regarding what new facilities I consider are needed in the future to serve the community well. We have a Master Plan Committee. The members of that committee and the Livermore City Planning Division are currently having discussions about different projects and once we have a final list of projects to be undertaken, we will post that information on the temple web site and in the Paschima Vani. In order to undertake new construction projects HCCC needs money and we are counting on your generosity to raise the needed funds. Devotees can make special contributions earmarked exclusively for the construction of new facilities.

The elected HCCC officials, our priests and the administrative staff are cognizant about the phenomenal growth in the number of devotees visiting the temple every week. We all are constantly exploring ways to serve you well. As you might have noticed, the number of religious functions (special poojas) conducted at the temple have increased to satisfy the needs of our divergent devotee community. Our priests are to be congratulated for their vision and hard work. Thanks to the "anna dana" sponsors, HCCC is able to serve free food to the devotees on weekends and during special functions. With the help of the administrative staff and volunteer workers, HCCC is trying to provide the essential services efficiently to the devotees. However, at the time of major functions, the temple needs lots of volunteer help. Typical areas where help is needed includes: front office support, human services health clinic, food preparation and distribution, helping the priests, teaching Bala Jyothi classes, help with the cultural program arrangements, Hundi counting on the weekends, providing accounting assistance, if needed by the treasurer etc., to name a few Please let the President and/or the EC Chair Persons know if you are desirous of becoming a volunteer helper. Please remember that this is "our temple " and we all have a stake in it.

Even with all the above, in order for us to be successful in our endeavor to serve you well, we need your cooperation in following some basic rules while you are in the temple. Please pay attention to the notices posted in front of the sanctums and outside. Also please observe the Dos and Don'ts posted on the temple web site. Be considerate of your fellow devotees. We want all the devotees to have the same religious experiences and similar satisfaction of participation during their visit to the temple. Please remember that it is our collective efforts that will make this organization (temple) a great institution.

HCCC is organizing "Shiva Keshava maha yagnam" in October 2005. This will be a five days event and the details about the function are posted on the temple web site. Please participate in the Yajnam by becoming a sponsor.

"Ohm namah shivaya and ohm namo venkatesaya".

Jagannadham Akella, Chairperson, Board of Directors, HCCC.

#### SHIVA KESHAVA MAHA YAJNAM

The Shiva-Vishnu Temple Livermore is conducting a grand Maha Yajnam, praying the Super Natural and Cosmic forces to bless the humanity with global peace and to grant heath and prosperity to all participating families and friends. The Temple management invites you all to participate actively in all the events as volunteers in your area of interest. We welcome donors to show their generosity for this Universal cause of receiving blessings of the Almighty. Participating devotees will actually perform parts of yajnam with their families in the middle of Vedic chantings in the Yaga Sala (includes several Homa Kundas for Rithviks and smaller size Homa Kundas for devotees to perform Gayathri Homa) being planned for this purpose. Please register your place for Laksharchanas, Satyanarayana Puja, Kalyana Utsavas, etc.,. This will be part of fundraising for the temple, please contact temple management for immediate and long term projects.

# SHIVA-VISHNU TEMPLE

**Attention Devotees** 

- 1. Current Paschima Vani (PV) mailing list consists of 9428 entries. This list has not been update in the last four years and contains multiple addresses for many devotees, multiple names for the same address, and most importantly, it does not include devotees who started to come to Temple in the last four years. As a result, more than half of PV mailings are wasted.
- 2. Updating this list to correct and include all recent devotees is a monumental task. This task was tried last three years unsuccessfully.
- 3. The total cost of each mailing is \$2137.60 and cost of printing is \$2200.
- 4. An alternate to mailing the PV has been developed. PV is being posted on the temple Website in PDF format and a link can be included in the mass e-mails that go out every week to at least 18000 devotees.
- 5. We left 2000 copies of last issue of PV in the Temple front office for devotees to pick up during their visit to Temple. Both of these ways of

disseminating PV, will be cost effective to HCCC.

- 6. Those who do not have access to computers/internet or would not be able to pick up from the Temple and hence would like to receive a hard copy of PV by mail should detach this card, fill it up and mail the card back to us or hand it over to a Temple Manager, before the end of October 2005.
- 7. If you would like to receive by e-mail, please subscribe to the mass email from the left column of the main page of Temple website by giving your active email address and clicking the button "Join Mailing List". Also, please make sure that the "Spam Guard" software that you use to filter your e-mails does not treat our mass e-mails as Spam.

Based on the response received, HCCC will decide on the number of copies to be mailed. By early November, we will publish our decisions in our mass email. Thanks for your understanding and cooperation.
